# Training Interest Questionnaire

Dear Training Applicant:

Thank you for your interest in applying for services under the Workforce Innovation Opportunity Act (WIOA). To help us match you with a training program that best meets your needs and interests, please complete this Questionnaire and return it to WorkSource- DeKalb, 774 Jordan Lane, Building #4, Decatur, GA 30033. If some questions make you uncomfortable, you may wait and discuss your answers with a Career Advisor. A Career Advisor will schedule an appointment and review your answers with you. Some other important key items you need to be aware of include:

- In addition to completing the Questionnaire, you may be required to complete additional tests to determine your employment skills. If you have low skills in reading and math, or lack a high school diploma or GED, you may be required to attend classes to improve your skills before you can begin training.
- If you are interested in attending training where PELL grants and HOPE scholarships are available, you will be required to complete the Federal Financial Aid Form (FAFSA) before you are approved for training. You can obtain a copy of the FAFSA information packet online at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).
- Because of funding limitations, not all eligible applicants are approved for WIOA funding. Applicants from the DeKalb County service area, who have met the basic eligibility criteria, will be given priority for training funds. Your request for training will be evaluated on the following criteria: date of your questionnaire, your last date of employment, availability of the training you want, your need for training or retraining, and other funds available to you. Your Career Advisor will keep you informed about the status of your application.
- You will also have to meet additional eligibility requirements for training. Your Career Advisor will review the eligibility requirements and begin documenting your eligibility. We will work with you to collect information to establish your eligibility for training and support assistance.

If you have questions about completing this application, you may call 404.687.3400. Additional information is available on the internet at:

# Demand Occupations List

WorkSource Metro Atlanta represents the collective efforts of five Local Workforce Development Boards within the 10-county metro Atlanta region. Each Board provides occupational specific skills training for industries that are stable or have projected growth.

This list serves as a guide for in-demand jobs and is not meant to be an all-inclusive list of acceptable WIOA funded occupational skills training options. There may be additional occupations in which demand occurs based on the job market or specific opportunities within the broad spectrum of occupations. This list includes occupations that show a favorable mix of projected long-term job growth, projected annual job openings, and median wages. WIOA participants seeking training in an occupation not on this Demand Occupations List may discuss the appropriateness and relevance of the proposed training with their career advisor for additional consideration (approval is at the discretion of the Local Workforce Development Board).
