Welcome our newest Adopt-A-Stop Group!
The Derwin Brown Masonic Lodge #599
PHA pictured after their first community
cleanup on Glenwood and I-285 Feb 2018

In February, volunteers removed 10,680 pounds of material from streets, streams and public spaces!

Volunteers Are the Difference!

SPECIAL PROJECT #1 SNAPFINGER WOODS DRIVE INITIATIVE

In recent years this corridor has experienced higher than average litter volume. Keep DeKalb Beautiful is promoting community based cleanups and other treatments in the Snapfinger Woods Corridor between Snapfinger Road/Parkway & DeKalb Medical Parkway through May of 2018. Secondary cleanups will occur on Wesley Chapel, Miller Rd, Panola Rd and DeKalb Medical Parkway.

This initiative is intended to reduce litter through educational outreach while breathing new life into existing groups and recruitment of new groups. Key institutions have been identified, including religious institutions, civic groups, local schools and others to make a cleaner DeKalb a reality.

SPECIAL PROJECT #2

LITTER ABATEMENT PROGRAM

Signage can inform & remind citizens and visitors that a clean community is important. KDB will be introducing new signage that is fun, educational and informative. The sign pictured above was submitted by Cindy Rock, soon to be seen in a neighborhood near you!

Keep DeKalb Beautiful wants to hear your ideas on how to improve the look and feel of DeKalb County. To the left is the idea of a new sign campaign to capture the creativity of our citizens while affirming the act of keeping DeKalb Clean. Please send your ideas to:
