

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as “Read-Only;” except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

- 1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

- 2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

- 3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

- 4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? **No**
If “No” click on “Next” or “Save & Next” below to move to the next screen.

2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

This form lists the subrecipient organization(s) for the project. To add a subrecipient, select the  icon. To view or update subrecipient information already listed, select the view  option.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

Annually, the DeKalb CSB serves over 10,000 individuals with severe and persistent mental illness. To respond to this need, the Permanent Housing for Homeless Persons with Disabilities Supportive Housing Program (SHP) provides clean, safe, and therapeutic housing to 12 chronically homeless persons with mental health disabilities. It is comprised of community-based housing and supportive services. Six, two-bedroom apartments are leased for this project. This type of supportive housing enables this special needs population to live as independently as possible in a permanent setting. The supportive services are provided by the DeKalb Community Service Board in conjunction with other public and private agencies in DeKalb County, including the Department of Public Health, the Department of Labor, Grady Health Care, Mercy Care, and the Department of Children and Families. The program embraces and operates under a Housing First and Harm Reduction model. Permanent housing is provided in multiple, leased apartments at scattered sites. DeKalb CSB provides case management services onsite that coordinates homeless assistance with mainstream health, social services and employment programs. DeKalb CSB staff persons are onsite five days a week with all residential staff available as on-call 24 hours per day. We understand the importance of providing consumers with intensive and comprehensive services in the initial and early stages of the consumer’s transition into permanent housing. These services provide to the consumer with a safety net that instills trust and the necessary foundations for effective engagement. Consumers are offered a wide variety of mental health services from intensive, one-on-one therapy, day treatment programs, group therapy, supported employment and individual support in the community. These activities ensure that the consumers establish the needed connections to community, faith-based and supportive services. As outcomes, this project will assist 92% of all participants in remaining in or exiting to permanent housing, 75% of all participants in maintaining or increasing their total income from all sources and 17% in obtaining earned income.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. RE: CoC Match Requirement Documentation
Current HUD Grant #: GA0002L4B081707
Current Project Name: Permanent Housing for Persons with Disabilities

The DeKalb Community Service Board (DCSB) has received and executed a contract for FY2018 (July 1, 2018 – June 30, 2019) with the Georgia Department of Behavioral Health and Development Disabilities (DBHDD) totaling \$12,057,272.00. As well, DCSB is a Medicaid provider of the same behavioral health services. Fees for consumers covered by Medicaid are provided at the same rate for those covered through the contract with DBHDD.

DCSB receives \$1,691,330.00 for the Independent Residential service provided for all clients enrolled in the Permanent Housing for Persons with Disabilities Supportive housing Program (SHP) contract for the contract term of July 1, 2018 through June 30, 2019. This was the same funding amount for FY2017. This contract will renew on July 1, 2019 through June 30, 2020 for FY2019 and the funding is expected to remain at the same amount awarded for the past three years.

In addition, DCSB has been allocated \$2,638,545.00 to provide core mental health outpatient services and \$1,722,584.00 in core addictive disease services. All of these funds provide services to all DCSB consumers, including those enrolled in the DeKalb SHP without health insurance. State and Federal Medicaid funding provide these same core services for individuals covered by Medicaid at the same rate structure outlined in the DBHDD Regional Contract.

Assuming funding remains the same for the FY2019 contract year as set for the FY2018 year, the match required would be \$33,489. We cannot predict the exact amount of service match that will be generated by the consumers served through the SHP contract for the FY2018 year. However, over \$100,000 in match service dollars were spent on consumers in the Permanent Housing for Persons with Disabilities program for the FY2018 year.
