

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** No

Delay in HUD execution of contract; draws were consistently made following execution of contract.

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

## **Renewal Grant Consolidation Screen**

**HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).**

- 1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No**  
**If “No” click on “Next” or “Save & Next” below to move to the next screen.**

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

The DeKalb Community Service Boards Permanent Housing for the Mentally Ill (Shelter Plus Program) serves clients suffering from severe and persistent mental illness who fall within HUD's definition of a homeless person. The purpose of the project is to increase the options for permanent housing for people who are the hardest to serve: clients with severe and persistent mental illness who often present symptoms and behaviors that cause them to be unacceptable residents or tenants in other living environments. These behaviors often result in their becoming homeless. Difficulty in conforming to living environments that require restricted mobility, strict adherence to rules, social interaction, compliance with activity of daily living standards such as maintenance of personal hygiene, cooking, budgeting, etc. are, in many instances, the reasons for failed tenancy and homelessness. A lack of permanent housing is usually coupled with a lack of treatment compliance resulting in high hospital and jail recidivism rates. The cost of institutional care can be very high. Appropriate permanent housing can be met for a significantly lower cost and a higher rate of success by leasing apartments in geographic locations that are conveniently sited in terms of providing supportive services and community amenities. Permanent supportive housing that meets the unique needs of this population will positively impact on long term residency, treatment compliance, and community integration, thus, decreasing the high cost of institutional care. The goals of the project are to:  
 Provide permanent, stable and safe housing for 86 individuals over the age of 18 who meet HUD's criteria for homelessness and disability;  
 Increase the tenure of residency by satisfying unmet social service and psychiatric needs; and  
 Provide a place that will encourage and engage the clients participation to manage their mental illness through on-site psychiatric and case management services.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.

Dear Sir or Madam:

This is in response to your request of August 17, 2005, regarding your organization's federal tax status.

Our records indicate that your organization may be a governmental instrumentality or a political subdivision of a state.

No provision of the Internal Revenue Code imposes a tax on the income of governmental units (such as states and their political subdivisions). Therefore, it has been the position of the Service that income of governmental units is not generally subject to federal income taxation. If, however, an entity is not itself a governmental unit or an "integral part" thereof, its income will be subject to tax unless an exclusion or exemption applies.

One exclusion is provided by section 115(1) of the Code, which excludes from gross income:  
"...income derived from ... the exercise of any essential governmental function and accruing to a State or any political subdivision thereof ..."

Your organization's income may not be subject to tax, either because the organization is a governmental unit (or an "integral part" thereof), or because the income is excluded under section 115. In addition, your organization may also be eligible to receive charitable contributions, which are deductible for federal income, estate, and gift tax purposes. Also, your organization is probably exempt from many federal excise taxes.

Your organization may obtain a letter ruling on its status under section 115 by following the procedures specified in Rev. Proc. 2002-1 or its successor.

Your organization may also qualify for exemption from federal income tax as an organization described in section 501(c)(3) of the Code. If the organization is an entity separate from the state, county, or municipal government, and if it does not have powers or purposes inconsistent with exemption (such as the power to tax or to exercise enforcement of regulatory powers), your organization would qualify under section 501(c)(3). To apply for exemption, complete Form 1023 and pay the required user fee.

DEKALB COMMUNITY SERVICE BOARD

8-2104166

Sometimes governmental units are asked to provide proof of their status as part of a grant application. If your organization is applying for a grant from a private foundation, the foundation may be requesting certain information from your organization because of the restrictions imposed by the Code on such foundations. One such restriction imposes a tax on private foundations that make any "taxable expenditures." Under section 4945(d) and (h) of the Code, "taxable expenditures" include (1) any grant to an organization (unless excepted), unless the foundation exercises "expenditure responsibility" with respect to the grant; and (2) any expenditure for non-charitable purposes. Under section 4942 of the Code, private foundations must also distribute certain amounts for charitable purposes each year--"qualifying distributions"--or incur a tax on the undistributed amount. "Qualifying distributions" include certain amounts paid to accomplish charitable purposes.

Private foundation grants to governmental units for public or charitable purposes are not taxable expenditures under these provisions, regardless of whether the foundation exercises "expenditure responsibility." Under section 53.4945-5(a)(4)(ii) of the Foundation and Similar Excise Tax Regulations, expenditure responsibility is not required for grants for charitable purposes to governmental units (as defined in section 170(c)(1) of the code). Similarly, grants to governmental units for public purposes are "qualifying distributions", under section 53.4942(a)-3(a) of the regulations; and, if they are for charitable purposes, will not be taxable expenditures, under section 53.4945-6(a) of the regulations. Most grants to governmental units will qualify as being for charitable (as well as public) purposes.

Because of these restrictions, some private foundations require grant applicants to submit a letter from the Service determining them to be exempt under section 501(c)(3) and classified as a non-private foundation. Such a letter, or an underlying requirement that a grantee be a public charity, is not legally required to be relieved from the restrictions described above, when the prospective grantee is a governmental unit and the grant is for qualifying (public or charitable) purposes.

We believe this general information will be of assistance to your organization. This letter, however, is not a ruling and may not be relied on as such. If you have any questions, please call us at the telephone number shown in the heading of this letter.

Sincerely,

Janna K. Skufca, Director, TE/GE
