Program Service/Activity, Outcomes, Outputs and Measurements

The Department of Housing and Urban Development (HUD) has developed an outcome performance measurement system for key HUD Housing and Community Development Programs. This system describes Performance Measurements as specific goals, outcomes and outputs. From the HUD goals, and the outcomes and outputs definitions listed below, please complete the following table by selecting the one which best reflects your anticipated goal and outcomes. Please refer to HUD's website for more information on HUD's requirements for Performance Measurements at:
