

The DeKalb County Board of Registration and Elections has approved the following polling place changes for the November 3, 2020 General Election and any following Runoff elections. These changes are necessary because the regular polling locations for these precincts are not available or are no longer able to accommodate indoor social distancing requirements due to the COVID-19 pandemic.

A complete list of polling locations for both Advanced Voting and Election Day voting can be found online at DeKalbVotes.com. Please be sure to double-check your precinct location by logging into mvp.sos.ga.gov.
