

COMMERCIAL SINGLE-STREAM RECYCLING ACCEPTABLE ITEMS

RECYCLING GUIDELINES

- Place all recyclable items loosely in the recycling container (do not bag recyclables)
- Do not place hazardous materials in the recycling container.
- Only include acceptable items. Placing non-acceptable items in recycling container may result in **recycling contamination** and could prevent your materials from being recycled.
- Plastics labeled **#3 through #7** are not accepted for recycling.
- **Shredded paper** is also not an approved recyclable item.
