Tilly Mill Sewer Replacement Begins Sept. 15

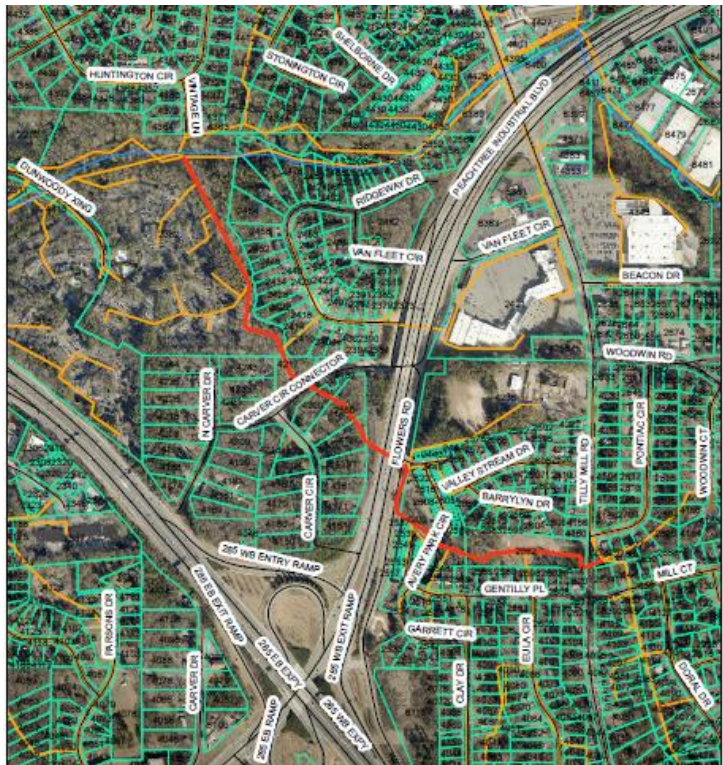

Crews to upsize existing sewer lines

DECATUR, Ga.—Efforts to improve sewer service throughout DeKalb County continue Wednesday, Sept. 15, with the launch of the Tilly Mill Sewer Replacement Project, which will include installation of new, larger sewer lines.

Contractors have begun assessing and preparing the impacted areas. More than 4,500 feet of existing 14- and 18-inch sewer lines will be upgraded to 24-inch lines.

The Tilly Mill Sewer Replacement Project is part of DeKalb County's \$1.345 billion capital improvement program. More information about the Tilly Mill Sewer Replacement Project is available on the "Capital Improvement Projects" section of the Department of Watershed

Management (DWM) website at www.dekalbwatershed.com. Residents may also call the DWM Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov with questions.

For more information, please join the virtual townhall meeting on Tuesday, Sept. 7, 2021, at 6:30 p.m., via zoom at <https://dekalbcountyga.zoom.us/j/88626942394>.
