

Automated Side-loader Truck

RESIDENTIAL COLLECTION SERVICE

- Reduce curbside garbage overflow with a 95-gallon garbage roll cart
- Containerize excess curbside garbage
- Promote standardized curbside garbage container use
- Maintain aesthetically pleasing neighborhoods

The countywide introduction of automated side-loader collection trucks (ASLs) aims to ensure more efficient and timely curbside garbage and recycling collection service using a single operator. To address garbage overflow and excess uncontainerized garbage at the curb, new and existing customers are strongly encouraged to obtain a **larger-capacity 95-gallon garbage roll cart for a one-time \$15 prepaid fee.**

New Customer

Obtain a 95-gallon garbage roll cart for a one-time \$15 prepaid fee
No increase in annual sanitation assessment fee

Existing Customer

Upgrade a 45- or 65-gallon garbage roll cart for a one-time \$15 prepaid fee (*existing roll cart must be returned*)
No increase in annual sanitation assessment fee
