Compost Request and Delivery Form

Check one: Residence Business Loaded at landfill Beautification/community project

Name _____

Address _____

Cross Street _____

Phone _____ Email _____

Number of cubic yards requested _____
(\$7.50 per cubic yard; a minimum of 10 cubic yards (one truckload) is required for delivery)

Special delivery instructions (please include preferred delivery date and time)

If this is a beautification/community project, please explain the project details including the project name and organization

Please return completed forms via email to vhill2@dekalbcountyga.gov, or by mail to the Seminole Road Landfill, 4203 Clevemont Road, Ellenwood, GA 30294. If the compost is for a beautification/community project, please email this form to Ilana Daniel at imdaniel@dekalbcountyga.gov for approval. There will not be a fee for compost for approved beautification/community projects. For all other requests, payment will be collected by the delivery driver. Cash payments are not accepted. Please make check/money order payable to DeKalb County Sanitation Division, with "compost" noted in the memo section. All inquiries should be directed to Vicki Hill at (404) 687- 4017 or vhill2@dekalbcountyga.gov.

Requests require 5 business days for processing and compost delivery. Compost does not contain any additives, and no nitrogen source is included in the process (i.e., contains no food waste or manure). Compost is not available in decorative colors. Compost is dark when wet and ashy brown when dry. Compost may occasionally contain debris and other materials, and the degree of its quality cannot be guaranteed. Compost cannot be returned once collected by residents or delivered to residents' homes. All compost delivery payments are final and cannot be reimbursed.

For office use only
