

Answer the CALL!

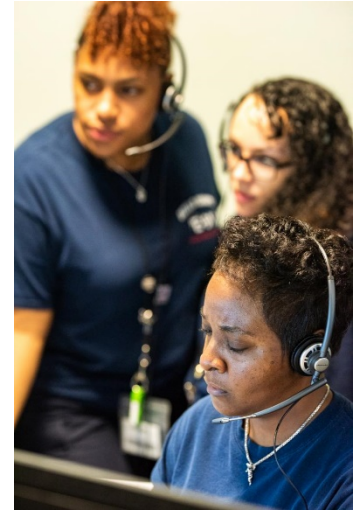

Be part of a life-saving team of 911 operators with DeKalb County!

Who You Are:

A motivated high school graduate with at least one year of customer service experience.

Your New Job:

As an E911 Communication Officer, you will play a critical role in the operation of DeKalb County's computerized communication system including answering 911 emergency and other calls from the general public requesting police, fire rescue, EMS, and animal control assistance.

The Pay and Benefits:

Your starting salary will be **\$36,102** if you have no prior emergency dispatching experience. If you have prior emergency dispatching experience, you may receive a higher starting salary. Additionally, DeKalb County offers:

- ✓ an awesome benefits package, including paid time off and comprehensive health insurance options
- ✓ promotional opportunities when you're ready to grow in your career

The Details:

- ✓ Shifts (12-hour day- rotating shift/off every other weekend):
- ✓ Training: 8 weeks paid classroom training with an additional 8 weeks training in which you will be taking emergency calls with a training operator.
