

*****ENGINEER'S CERTIFICATE*****

AS-BUILT FLOOD PLAINS

I, _____

a registered professional engineer in the State of Georgia, hereby certify with my signature and seal, that the grading and drainage plans for the project known as _____

Development Permit # _____, lying in Land Lot _____, of the _____ District, Dekalb County, have been completed and state that, in my opinion, the execution of said plans has not diminished the natural storage capacity of the adjacent flood plain, nor caused any increase in the flood levels of the Base Flood (IRF – 100 Year Flood), and is in compliance with the Dekalb County Land Development Ordinance.

This the _____ day of _____, 20_____.
