

Public Notice of Proposed Award of Sole Source Procurement

Section A – Description of Proposed Sole Source Procurement

Description of Supplies/Services: Technical Service for Oracle Punch-out services that include maps and schema specifically built for DeKalb county databases and trading partners.

Demonstration of Contractor's Unique Qualifications: Standardization has been established as a result of past procurements to cover multiple forms that are tightly integrated with the Oracle database working automatically to insert business data, based on our transactions

Section B – To Be Completed by the Department of Purchasing and Contracting
