

Public Notice of Proposed Award of Sole Source Procurement

Section A – Description of Proposed Sole Source Procurement

Description of Supplies/Services: Citizen Online Reporting system provided by LexisNexis, known as DORS (Desk Officer Reporting System). Helps reduce time spent on lower priority calls in the Dispatch Center where there is no suspect on scene. It will also give Citizens the ability to fill out their own incident information online, without an Officer having to go on scene, for incidents such as: Custody Dispute, Property Damage, Dine & Dash, Fraud, Harassing Communication, Lost Property, Theft/Stolen Property Lists, etc. Reports submitted online can be reviewed for acceptance or rejection, before being committed to the Records Management System (RMS/NIBRS).

Demonstration of Contractor's Unique Qualifications: The LexisNexis® Desk Officer Reporting System ("DORS") is the wholly owned, intellectual property of LexisNexis Coplogic™ Solutions Inc. ("LexisNexis"), currently utilized by DeKalb County. LexisNexis is the sole source for DORS licenses, ongoing support and maintenance services.
