**DeKalb Crews Complete Repairs to Water Main Leak on
McLendon Drive**

DECATUR, Ga.— DeKalb County Department of Watershed Management (DWM) crews and contractors have completed repairs to a 42-inch-diameter water main on McLendon Drive.

Water service has been restored to the area.

As service is restored, customers in the affected area may experience brown water and are encouraged to run the faucets inside and outside their homes/businesses to clear the internal plumbing.

For more information, contact the DeKalb County Watershed Department at dekalbwaterops@dekalbcountyga.gov or 770-270-6243.
