Certificate of Compliance "COC"

Inefficient Plumbing Fixtures Replacement Plan Ordinance (Section 25-45 through Section 25-60)

Purchasers of properties constructed before 1993 must submit this Certificate of Compliance certifying that all structures on the property only contain water conserving plumbing fixtures before obtaining water service. The service address must be inspected by a licensed plumber or home inspector and this certificate must be signed verifying that all plumbing fixtures are water conserving fixtures. If your property is exempt from compliance, you must submit the Exemption Form with your application for water/sewer service.
