

DeKalb County Fire Rescue

Accountability Professionalism Knowledge Integrity

The logo of DeKalb County Fire Rescue is centered in the background. It features a shield with a fire helmet at the top, a fire engine at the bottom, and a central figure holding a torch. The text 'DEKALB COUNTY' is visible at the top of the shield, and 'FIRE RESCUE' is at the bottom. The shield is surrounded by a decorative border.

VISION STATEMENT

“Leading the fire service with superior public safety; positively impacting our community at every interaction now and for future generations.”

MISSION STATEMENT

“The Mission of DeKalb County Fire Rescue is to be responsive to the needs and safety of our community, committed to the highest level of risk reduction and incident response while delivering superior customer service and professionalism.”
