Submit Plans Electronically: In case where we are not to report to work, a projectDox account will be created and applicants/customers will resubmit their plans for reviews electronically. The following instructions to be provided to the customers:

- The comments from each one of those departments must be uploaded
- Comments from each department shall be provided as separate attachments. Do not combine all comments as one document/attachments.

Eplans: All new applications will be processed as eplans when we are no longer able to report to work.

- The application form will be sent to the customer through email
- Customer will submit application online
- Application will be processed and fees generated
- Project will be moved to ProjectDox and customer will be notify to upload the plans
- Eplans upload guidelines shall be sent to the customer with the ProjectDox login information
