Public information Open Houses

## Join Us for a Public Information Open House!

The Georgia Department of Transportation (Georgia DOT) has scheduled Public Information Open Houses (PIOHs) regarding the I-285/I-20 East Interchange Project. The project focuses on traffic flow and safety improvements to the busy I-285/I-20 East Interchange and along I-20 to the east. The purpose of the PIOHs is to offer the public opportunities to learn about the project, ask questions, and to submit comments.

The open houses have no formal presentation. The same information will be available at each open house. Please stop by at the time and location most convenient for you!
