

OPENING SOON!

Planning and Sustainability

Our One Stop Shop for permitting and licensing will be on the first floor of the DeKalb County Government Services Center located at 178 Sams Street, Decatur. The three-level facility sets a new tone for planning and development services in DeKalb County. The new location has plenty of free parking, an “open floor plan” for the one stop shop operation, huddle rooms for help with permits, and assembly rooms for future Board of Zoning Appeals, Historic Preservation, and Planning Commission Meetings.

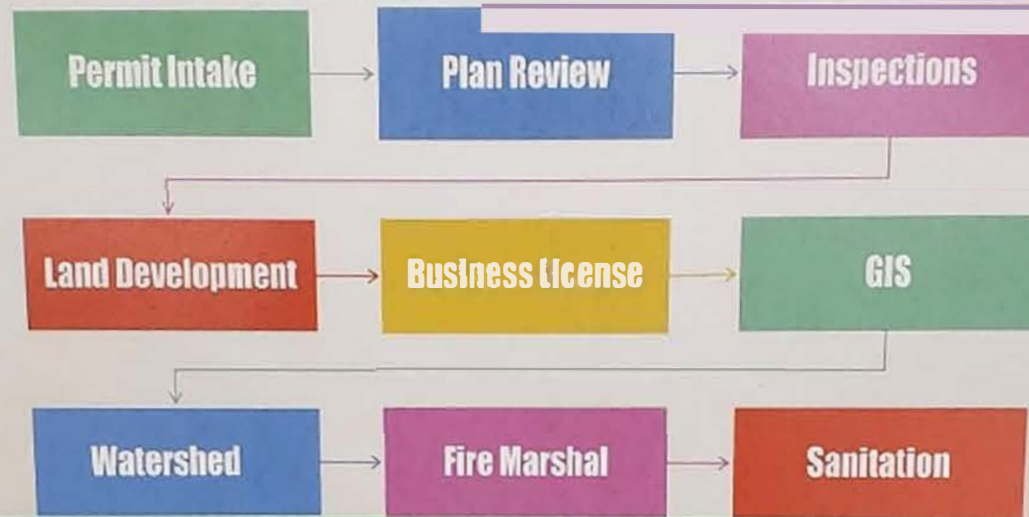

Although the county is moving towards more ePermitting (electronic filing), the ONE STOP SHOP will have representatives from the following departments:

- Permit Services
- Planning/Zoning & Sustainability
- Land Development Permits
- Commercial/Fire Plans Review (Fire Marshall)
- Watershed
- Transportation
- Sanitation
- Business Licenses Services
- GIS
- Technology
- City Permits/Meters
