The 2020 fiscal year was buffeted by extraordinary health and economic challenges due to the global COVID-19 pandemic. Amid these turbulent waters, we developed innovative strategies to navigate through this evolving crisis. The 2020 mid-year budget amendment maintained critical services while keeping the benchmark millage rate stable. This allowed us to monitor and manage our fiscal resources so that we could continue to provide high quality service.

To continue the nautical analogy, the theme of the fiscal year 2021 budget is "Steady, As She Goes." We will maintain spending at the levels established in the FY2020 mid-year budget, which allows critical county operations to continue. The FY2021 executive budget recommendation also maintains the FY2020 benchmark millage rate for unincorporated DeKalb at 20.810 mills while remaining structurally balanced while protecting the county's rainy-day fund. DeKalb homeowners will also continue to benefit from property tax relief generated by the Equalized Homestead Option Sales Tax (EHOST) credit. The FY2021 budget proposal supports the continued delivery of essential county services without furloughs or reductions in the current workforce. My commitment is that DeKalb County will emerge from these crises stronger than before.

Prudent fiscal management by this Administration and the DeKalb Board of Commissioners eliminated deficit spending and established the largest fund balance or "rainy-day fund" in the county's history. This accomplishment has been the bedrock of our financial success and enabled the county to respond nimbly in a time of crisis. Although economic conditions and changes to various county functions precipitated by the pandemic have hindered FY2020 revenue collections, the year-end rainy-day fund is projected to remain at two months of operating expenses.

Amid dampened economic projections for FY2021, now is the time to maintain our expenditures at the same level as mid-year 2020 to weather the unpredictability of this pandemic. The budget priorities we established in FY2020 will remain for FY2021 to provide the highest level of services and the best quality of life for our residents. Therefore, the Administration's FY2021 budget recommendation includes a reduction of recurring tax fund expenditures of \$18.1 million or 2.7%. The county's FY2021 end-of-year tax fund balance is projected to be \$111.7 million. This amount will cover county operations for two months for all tax funds.

Although storm clouds remain on the horizon, I am confident we are moving in the right direction. With the introduction and distribution of the COVID-19 vaccine, we know the clouds will part and calmer waters are ahead. I have every confidence that the men and women of the county workforce, with leadership and support from the Board of Commissioners, administration leaders and other elected officials, will continue to rise to every challenge and DeKalb County will be stronger after these crises than ever before.

The Hotel / Motel Fund accounts for transactions involving DeKalb County's original Hotel / Motel Tax of 2%. This tax was approved by the Board of Commissioners in December 1997. Subsequently, this tax was increased to 8%. This excise tax is used to promote tourism, conventions, and trade shows. In addition, funds can be expended for "tourism product development" which is the creation or expansion of physical attractions which improve the destination appeal to visitors, support visitors' experience, and are used by visitors. Such expenditures may include capital costs and operating costs. As all proceeds of the Hotel/ Motel Tax are designated for various purposes by the enabling legislation, all revenue is allocated to those purposes and this fund should carry no fund balance.

Departmental Description

The Board of Commissioners (BOC) serves as the legislative branch of DeKalb County government. The BOC is composed of seven part-time commissioners, each elected to a four-year term. DeKalb County is divided into five commission districts as well as two "super districts," each covering one half of the county. The BOC levies taxes and sets fees, appropriates funds for county operations, enacts county ordinances and resolutions, decides all zoning issues, and participates in the appointment and/or approval of board members of several other affiliated authorities and boards.

Departmental Description

The Child Advocacy Center (CAC) provides legal representation and advocacy for abused and neglected children in dependency cases before the DeKalb County Juvenile Court. The CAC manages approximate 1,500 cases and 3,200 hearings annually. Attorneys and support staff provide litigation and ongoing advocacy to rehabilitate and secure permanent safe and stable homes for child-clients. Child-clients primarily reside in foster care placements, many of which are located outside of DeKalb County and beyond the metro counties. Approximately 60% of the department's service delivery efforts are conducted remotely, including client field interviews. In 2018, more than 55% of clients resided in placements outside of DeKalb County and more than one-third experienced more than one placement disruption. The continued destabilization of the foster care system has increased the department's workload with more continued hearings, longer terms in foster care, and further and more frequent field work for staff.

Victim Assistance (03100)

Victim Assistance Fund (206)

2021 Budget Request/Recommendation Sheet

Departmental Description

In 1995, the Victim Assistance Fund was established. This fund consists of DeKalb County's appropriation of an additional 5% penalty assessment imposed upon criminal offense fines (O.C.G.A § 15-21-131). Effective July 1, 1997, the Recorder's Court, now the Traffic Division of State Court, was added to the courts already collecting this assessment for victim assistance programs. The Board of Commissioners issued a directive that costs associated with the District Attorney's and Solicitor's victim assistance programs should receive funding first, and any remaining dollars will be allocated to fund the victim assistance programs.
