## AIRPORT MEMO

---

**To: All PDK Airport Tenants**  
**From: Airport Administration**  
**Subject: 3R/21L Rubber Removal/Re-Marking**  
**Date: 14 May, 2022**

---

With this memo, we would like to make everyone aware of our upcoming rubber removal and remarking that will be done on Runway 3R/21L and will consist of a full runway closure starting at **9PM Friday, June 3, and ending by 9PM Sunday, June 5.**

This is a much-needed project on our primary runway, where markings are faded and rubber has accumulated heavily and is covering those markings.

As of now, the project is scheduled to be completed by 9PM Sunday evening, but our goal is to have it completed by as early as 9AM Sunday morning. If we can get it finished by then, we will cancel the NOTAM for the rest of the day.

Please mark these dates down and schedule your flights accordingly so there is no confusion when the time comes. Also, for those who can use 3L/21R and 16/34, please note that they will be in operation and will be available to you.

Please do not hesitate to contact Hunter Hines, C.M., Deputy Airport Director at **(770) 936-5440** or [chhines@dekalbcountyga.gov](mailto:chhines@dekalbcountyga.gov), if there are any concerns or requests.
