

# FROM THE FLIGHT DECK

A GA PILOT WORKSHOP

**MARCH 22, 2023 12:30 PM–3:30 PM EDT**

On March 22, the FAA will host a virtual workshop event, From the Flight Deck LIVE: A GA Pilot Workshop, Spring 2023.

## WHO SHOULD PLAN TO ATTEND?

The FAA invites General Aviation pilots to join this Spring workshop so everyone feels prepared to take to the skies after spending time away from the flight deck. The event will cover surface safety and operational concerns associated with General Aviation. Two WINGS credits will be offered.

## WHAT WILL I LEARN?

During this event, FAA Acting Administrator Billy Nolen, Jamal Wilson, GA industry reps, pilots, air traffic controllers, labor, meteorologists and others will discuss safety and operational concerns associated with General Aviation. The workshop panels will remind pilots about runway procedures, provide information to preempt airfield errors, and ultimately focus on lowering the potential for accidents. Topics presented and discussed will include:

- Wrong Surface Risk and Mitigation
- Human Factors
- Markings, Signage and Lighting
- Nighttime Operations
- Preparing for Weather Challenges
- And more

## HOW TO PARTICIPATE:

Please only use the Zoom link if you are interested in receiving WINGS credit. All other participants should use the YouTube livestream link to attend.
