

Proposed Precinct Boundary Changes & Polling Place Changes

Why These Changes Are Happening

In an ongoing effort to improve efficiency and accessibility, DeKalb County Voter Registration and Elections evaluated polling locations that are underutilized, challenging to access, or lack essential facilities such as restrooms, ramps, water fountains, or proximity to public transportation. By relocating and consolidating certain sites, the goal is to provide voters with more suitable facilities that enhance their voting experience.

2025 Polling Place Changes
