ITEMS FOR DISCUSSION

A) Proclamation for Odessa Ngoto

Director Smith expounded on Odessa Ngoto's contributions to the department and spoke to her warm and graceful character stating that to know Odessa was to know kindness in its purest form. Vice-Chair Abhiraman proceeded to read the proclamation from the office of CEO Lorraine Cochran-Johnson naming March 13, 2025 Odessa Minter Ngoto Day in DeKalb County. The proclamation and a memorial plaque were presented to the family of Odessa.

B) Director's Report

Director Smith reported on registration activities and statistics, and stated that the hearing for the voter challenges submitted by Bill Henderson on March 6th would be held at the next regular Board meeting. She went on to report on election activities including polling place changes and poll worker recruitment efforts for the PSC election in June, and ongoing outreach, website, training, and budget updates. She stated that the FY2025 budget of \$14.6M was approved by the Board of Commissioners at the end of February and it included the requested 6 new full-time positions. She further stated that the department had been authorized to use FY2024 surplus funds for the purchase of the mobile unit which should be ready for use in 2026.

Ms. Motter asked for further details on the remaining 2024 registration applications. Director Smith replied that those applications were escalated due to various issues and Registration Supervisor Holly Smith provided additional details. Ms. Motter requested changes to the formatting of the registration statistics on the Director's Report.

Mr. Lewis asked Director Smith to provide details on the hiring process for poll workers. Director Smith replied and proceeded to outline the complete process of poll worker recruitment and hiring.

Vice-Chair Abhiraman elaborated on the frequently used acronyms GAVREO, DDS, OLVR, and MVP for the benefit of the public.

C) Legislative Updates

Mr. Petty advised that a number of bills did not make it through crossover day, therefore the bills would not move forward, however the issues themselves could be added to other bills as the session continued. He noted that HB 215, the Voter List Integrity Act which he previously reported on, HB 480, HB 502, and SB 274 did not make it through crossover day. Mr. Petty further advised that bills to note that did make it through crossover day were: HB 355 which had to do with how the City of Doraville filled vacancies on their City Council, HB 426 which was about the nonpartisan election of certain judicial officers, and HB 397 which had some revisions including the addition of language about the Lieutenant Governor and Speaker of the House replacing an SEB member when the legislative session was not in session.

Vice-Chair Abhiraman reiterated that even if a bill did not make it over before crossover day, the text could still be added to bills that did make it over, as long as they relate to the same code section.

ITEMS FOR DECISION

A) Proposed Polling Place Changes Due to School Renovations

Director Smith reported that the department was notified that multiple DeKalb County schools would be unavailable for the special elections in the summer due to school renovations. She stated that 6 of the proposed changes were temporary, however, Dresden Elementary was being torn down so a permanent change was needed. The change from Dresden Elementary to John Robert Lewis Elementary would be temporary until a permanent facility was identified.

Motion by Ms. Motter, seconded by Mr. Lewis to approve the proposed polling place changes as specified by the Executive Director.

Ms. Motter stated for the public that changes to the naming convention of the precincts would have to go before the Board of Commissioners for approval.

The motion passed unanimously.

B) Profile PR Contract

Director Smith presented the scope of services for Profile Marketing and Public Relations. She stated that in November the new scope of services was advanced to the procurement department and had since cycled through various channels. She further stated that the department had been prompted to present the item to the Board for final approval and to enter into a formal contract in a form acceptable by the County Attorney. Director Smith noted that in addition to the municipal elections, the precinct boundary and polling place changes would require ample voter engagement and communications which would be led by Profile.

Motion by Ms. Motter, seconded by Mr. Lewis to approve the scope of work for Profile Marketing and Public Relations as presented by the Executive Director.

Ms. Motter asked if Profile was associated with creating the signage collateral. Director Smith replied that what touched the signage was the overall communications plan. She expounded by stating that while large signage is still outsourced, the department was building its internal capacity to print collateral with the addition of the print shop. Ms. Motter confirmed with Director Smith that funding for Profile was included in the FY2025 budget. Director Smith further stated that the communications and public affairs division was established last year and several critical items including training fell under that division. She advised that the Deputy Director, Tonza Clark, was leading essential training efforts at the time, however communications still needed just as much attention and Profile filled in the gaps.

Mr. Lewis asked for details on what had been added to this scope of work from the prior year's scope. Director Smith replied that it was more centered around communication and outreach. Deputy Director Clark stated that there would also be additional consulting and that Profile brought a level of expertise that is currently unavailable in house. Mr. Lewis asked for further details on the scope of work and the process of drafting and executing the final contract. Director Smith expounded on both topics and further discussion ensued.

Ms. Motter withdrew her previous motion and made a substitute motion, seconded by Mr. Lewis, to defer this item until the next scheduled Board meeting subject to having a contract to review. The motion passed unanimously.

C) 2025 Early Voting Locations, Dates, and Times

Director Smith presented the proposed early voting locations, dates, and times for the June special election and potential runoff. She noted that 10 locations strategically distributed throughout the county were proposed for the upcoming election and that the first day of early voting would be on a Tuesday due to the state-observed holiday on the preceding Monday.

Vice-Chair Abhiraman confirmed with Director Smith that the department was requesting the Board's approval for the June election and potential runoff in July. Director Smith replied that the department would present any modifications for early voting for the runoff during the scheduled certification meeting so the Board could vote just on June's election. She also noted that the proposed early voting dates for the November and December elections were included in the presentation, however, the final proposal for the Board's approval would take place closer to the fall election cycle. Further discussion on the early voting proposal took place.

Motion by Ms. Motter, seconded by Mr. Lewis to approve the early voting locations, dates, and times which also includes the dropbox locations as proposed by the Executive Director for the June special primary. The motion passed unanimously.

BOARD COMMENTS

Ms. Motter thanked the law department, the Executive Director and staff, and the public for their attendance.

Mr. Lewis thanked the staff for making the Board materials available sooner, as it provided him more time to review them. He also stated that a member of the public had spoken to him several meetings prior expressing that they felt only one Board member listened during public comments. Mr. Lewis further noted that during the meeting, both Ms. Motter and Vice-Chair Abhiraman either spoke to items addressed during public comment or specifically provided information for the benefit of the public. He closed by expressing his appreciation for the public's attendance and comments.

Vice-Chair Abhiraman said that he appreciated Mr. Lewis' comment and that he listens closely during public comments and often researches items. He thanked everyone for coming out on Odessa Minter Ngoto Day and said that the success of the department depended on public engagement, and hard work from Director Smith, the staff, the county attorneys, and his fellow Board members.

ADJOURNMENT

Motion by Mr. Lewis, seconded by Ms. Motter, to adjourn. The motion carried unanimously. The meeting was adjourned at 6:14 p.m.

If the County BRE consents to any such assignment or transfer, then Consultant binds itself, its partners, successors and assigns to all covenants of this Contract. Nothing contained in this Contract shall create, nor be interpreted to create privity, or any other relationship whatsoever, between the County BRE and any person, or entity, other than Consultant.

E. **Termination of Agreement.** Consultant understands and agrees that the date of the beginning of Work, rate of progress, and time for completion of the Work are essential conditions of this Contract. The County BRE may, for its own convenience and at its sole option, without cause and without prejudice to any other right or remedy of the County BRE, elect to terminate the Contract by delivering to Consultant, at the address listed in the Notices article of this Contract, a written notice of termination specifying the effective date of termination. Such notice shall be delivered to Consultant at least fifteen (15) business days prior to the effective date of termination. If Consultant's services are terminated by the County BRE, the termination will not affect any rights or remedies of the County BRE then existing or which may thereafter accrue against Consultant or its surety. In case of termination of this Contract before completion of the Work, Consultant will be paid only for the portion of the Work satisfactorily performed through the effective date of termination as determined by the County BRE. Neither party shall be entitled to recover lost profits, special, consequential or punitive damages, attorney's fees or costs from the other party to this Contract for any reason whatsoever. This Contract shall not be deemed to provide any third-party with any remedy, claim, right of action, or other right. The parties' obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.

F. **Indemnification Agreement.** Consultant shall be responsible from the execution date or from the time of the beginning of the Work, whichever shall be the earlier, for all injury or damage of any kind resulting from the Work, to persons or property, including employees and property of the County BRE. Consultant shall exonerate, indemnify, and save harmless the County BRE and DeKalb County, Georgia and any of their respective elected officials, officers, employees, agents

and servants, hereinafter collectively referred to in this Section as the “County Indemnitees,” from and against all claims or actions based upon or arising out of any damage or injury (including without limitation any injury or death to persons and any damage to property) caused by or sustained in connection with the performance of this Contract or by conditions created thereby or arising out of or any way connected with Work performed under this Contract, as well as all expenses incidental to the defense of any such claims, litigation, and actions. Furthermore, Consultant shall assume and pay for, without cost to County Indemnitees, the defense of any and all claims, litigation, and actions suffered through any act or omission of Consultant, or any subcontractor, or anyone directly or indirectly employed by or under the supervision of any of them. Notwithstanding any language or provision in this Contract, Consultant shall not be required to indemnify any County Indemnitee against claims, actions, or expenses based upon or arising out of County Indemnitee’s sole negligence. As between County Indemnitees and Consultant as the other party, Consultant shall assume responsibility and liability for any damage, loss, or injury, including death, of any kind or nature whatever to person or property, resulting from any kind of claim made by Consultant’s employees, agents, vendors, suppliers or subcontractors caused by or resulting from the performance of Work under this Contract, or caused by or resulting from any error, omission, or the negligent or intentional act of Consultant, vendors, suppliers, or subcontractors, or any of their officers, agents, servants, or employees. Consultant shall defend, indemnify, and hold harmless County Indemnitees from and against any and all claims, loss, damage, charge, or expense to which they or any of them may be put or subjected by reason of any such damage, loss, or injury. Consultant expressly agrees to provide a full and complete defense against any claims brought or actions filed against County Indemnitees, where such claim or action involves, in whole or in part, the subject of the indemnity contained in this Contract, whether such claims or actions are rightfully or wrongfully brought or filed. DeKalb County, Georgia has the sole discretion to choose the counsel who will provide the defense. No provision of this Contract and nothing herein shall be construed as creating any individual or personal liability on the part of any elected official, officer, employee, agent or servant of the County BRE or DeKalb County, Georgia, nor shall the Contract be construed as giving any rights or benefits hereunder to anyone other than DeKalb County, Georgia and the parties to this Contract. The parties’ obligations pursuant to this Section shall survive any acceptance of Work, or termination or expiration of this Contract.

G. **Right to Audit.** The County BRE shall have the right to audit all books and records, including electronic records, relating to or pertaining to this agreement, including but not limited to all financial and performance related records and any documents or materials which support those records. Consultant shall maintain complete and accurate records of expenditures and services provided. Consultant shall allow an authorized representative of the County BRE to inspect, examine, and copy, and audit such records during regular business hours upon reasonable advance notice.

H. **Georgia Laws Govern.** The laws of the State of Georgia shall govern the construction of this Contract without regard for conflicts of laws. Should any provision of this Contract require judicial interpretation, it is agreed that the court interpreting or construing the same shall not apply a presumption that the terms hereof shall be more strictly construed against one party, by reason of the rule of construction, that a document is to be construed more strictly against the party who itself or through its agent prepared same; it being agreed that the agents of all parties have participated in the preparation hereof, and all parties have had an adequate opportunity to consult with legal counsel. In interpreting this Contract in its entirety, the printed provisions of this Contract, and any additions written or typed hereon, shall be given equal weight, and there shall be no inference by operation of law or otherwise; that any provision of this Contract shall be construed against either party hereto.

I. **Venue.** This Agreement shall be deemed to have been made and performed in DeKalb County, Georgia. For the purposes of venue, all suits or causes of action arising out of this Agreement shall be brought in the courts of DeKalb County, Georgia.

J. **Consultant and Subcontractor Evidence of Compliance; Federal Work Authorization.** Pursuant to O.C.G.A. § 13-10-91, the County BRE cannot enter into a contract for the physical performance of services unless Consultant, its subcontractor(s) and sub-subcontractor(s), as that term is defined by state law, register and participate in the Federal Work Authorization Program to verify specific information on all new employees. Consultant certifies that it has complied and will continue to comply throughout the Contract Term with O.C.G.A. § 13-10-91 and any related and applicable Georgia Department of Labor Rule. Consultant agrees to sign an affidavit evidencing its compliance with O.C.G.A. § 13-10-91. The signed affidavit is attached to this Contract as Exhibit C. Consultant agrees that in the event it employs or contracts with any subcontractor(s) in connection with this Contract, Consultant will secure from each subcontractor

an affidavit that certifies the subcontractor's current and continuing compliance with O.C.G.A. § 13-10-91 throughout the Contract Term. Any signed subcontractor affidavit(s) obtained in connection with this Contract shall be attached hereto as Exhibit D. Each subcontractor agrees that in the event it employs or contracts with any sub-subcontractor(s), each subcontractor will secure from each sub-subcontractor an affidavit that certifies the sub-subcontractor's current and continuing compliance with O.C.G.A. § 13-10-91 throughout the Contract Term. Any signed sub-subcontractor affidavit(s) obtained in connection with this Contract shall be attached hereto as Exhibit E.

K. **County Representative.** Consultant shall report to the County BRE and the Executive Director of the DeKalb County Department of Voter Registration and Elections ("the Director") concerning the Work under this Agreement. Payments to Consultant shall be made only upon itemized bill submitted to and approved by the Director.

L. **Consultant's Status.** Consultant will supervise and direct the Work, including the Work of all subcontractors. Only persons skilled in the type of work which they are to perform shall be employed. Consultant shall, at all times, maintain discipline and good order among his employees, and shall not employ any unfit person or persons or anyone unskilled in the work assigned him. The relationship between the County BRE and Consultant shall be that of owner and independent contractor. Other than the consideration set forth herein, Consultant, its officers, agents, servants, employees, and any subcontractors shall not be entitled to any DeKalb BRE and/or DeKalb County, Georgia employee benefits including, but not limited to social security, insurance, paid annual leave, sick leave, worker's compensation, free parking or retirement benefits. All services provided by Consultant shall be by employees of Consultant or its subcontractors and subject to supervision by Consultant. No officer or employee of Consultant or any subcontractor shall be deemed an officer or employee of the County BRE. Personnel policies, tax responsibilities, social security payments, health insurance, employee benefits and other administrative policies, procedures or requirements applicable to the Work or services rendered under this Contract shall be those of Consultant, not County BRE.

M. **Georgia Open Records Act.** Consultant will be expected to comply with the applicable provisions of the Georgia Open Records Act, O.C.G.A. § 50-18-70 *et seq.*

N. **First Source Jobs Ordinance and Preferred Employees.** Consultant is required to comply with the DeKalb County First Source Jobs Ordinance, Code of DeKalb County as Revised

1988, section 2-222 *et seq.*, and among other things, is required to make a good faith effort to hire DeKalb County residents for at least fifty percent 50% of all jobs created by an Eligible Project, as that term is defined in the First Source Ordinance, using the First Source Registry. Consultant is encouraged by the County BRE and DeKalb County, Georgia to have 25% or more of their labor forces for this project consist of Preferred Employees selected from the First Source Registry. The First Source Registry has Preferred Employees trained by U.S. Department of Labor registered apprenticeship programs and other partners. For information on Preferred Employees, please contact the DeKalb County Workforce Development by telephone at 404-687-3400 or in person at 774 Jordan Lane, Building 4, Decatur, GA 30033.

O. **Business License.** Consultant shall submit a copy of its current, valid business license with this Contract if required. If Consultant is a Georgia corporation, Consultant shall submit a valid county or city business license. If Consultant is a joint venture, Consultant shall submit valid business licenses for each member of the joint venture. If Consultant is not a Georgia corporation, Consultant shall submit a certificate of authority to transact business in the state of Georgia and a copy of its current, valid business license issued by its home jurisdiction. If Consultant holds a professional license, then Consultant shall submit a copy of the valid professional license. Failure to provide the business license, certificate of authority, or professional license required by this section, may result in the Contract being terminated. Consultant shall ensure that any insurance, license, permit or certificate submitted as part of the Contract shall be current and valid when submitted, and shall remain valid, current and maintained in good standing for the Contract Term.

P. **Sole Agreement.** This Contract constitutes the sole contract between the County BRE and Consultant. The terms, conditions, and requirements of this Contract may not be modified, except by Change Order. No verbal agreement or conversation with any officer, agent, or employee of the County BRE and/or DeKalb County, Georgia either before or after the execution of the Contract, shall affect or modify any of the terms or obligations herein contained. No representations, oral or written, shall be binding on the parties unless expressly incorporated herein. DeKalb County Voter Registration and Elections

**Post Office, UPS Store and Mail Center addresses used as Residence Addresses
21-2-229 Challenge**

Honorable DeKalb County Election Board:

I hereby challenge the attached 134 INDIVIDUAL registrations under GA Code 21-2-229 as they are invalid/illegal under GA Code 21-2-561. These registrations, according to the February 12, 2025 DeKalb County Voter Roll, have RESIDENTIAL ADDRESSES that are the addresses of either U.S. Post Offices, UPS Stores or other Mail Center businesses. These addresses cannot be used as residential addresses.

It can reasonably be assumed that these addresses contain mailboxes to which mail can be delivered. While these boxes may belong to a valid elector, it is impossible to determine in which Municipal, State Senate, State House, US Congressional districts, or State the elector is truly qualified to cast a vote.

Evidence:

 REQUIREMENT: If you are submitting this form by mail and you are registering for the first time in Georgia, you are required to submit proof of residence either with this form OR when you vote for the first time. Proof of residence includes one of the following: a COPY of a current and valid photo ID; or a COPY of a current utility bill, bank statement, government check, paycheck, or other government document that shows your name and address. You are exempt from this requirement if you are entitled to vote by absentee ballot under the Uniform and Overseas Citizens Absentee Voting Act, or if you provide your Georgia driver's license/ID number (or the last four digits of your social security number if you do not have a driver's license/ID) on this form and your identifying information is verified with a state database.

O.C.G.A. § 21-2-561</div></div>						

According to the official Georgia State Voter Registration form, shown above, Box 2 is labeled RESIDENCE ADDRESS. Box 3 is labeled MAILING ADDRESS. The MAILING ADDRESS is accompanied by the explanation "If different from residence address. PO Box or route." This reasonably indicates that if the elector chooses to receive mail at a different address, or a PO box, they should list that address in Box 3, Not Box 2.

In addition, Box 6 requires the elector to swear or affirm that they RESIDE at the address listed above. They cannot reside in a Post Office, UPS Store or commercial Mail Center, much less in a box

at that location. The WARNING states that any person who knowingly gives false information when registering to vote is guilty of a felony (O.C.G.A 21-2-561).

METHODOLOGY

I have compiled a list of the official addresses of US Post Offices in DeKalb County from the website: <https://postofficepage.com/unitedstates/georgia>

I have compiled a list of UPS Stores and related Mail Centers in DeKalb County from the website: <https://locations.theupsstore.com/ga>

I have verified those addresses by searching Google Maps to show the structures that exist at those addresses. I would be glad to furnish my complete lists upon request. Any location that looks like it could have residential units attached to it have been omitted.

All of the registrations I have listed in this challenge have an EXACT MATCH to the addresses of either a USPS address, a UPS Store or a Mailing Center. This is NOT a 'systematic search'. I have verified the information on each one of these challenges individually.

I further testify that I do not personally know any of these electors, nor have I tried to contact any of them. All of the research done for this challenge was carried out by me alone.

While it may be argued that the Post Office and Mail Center data did not come from an official government source, I, as a private citizen, do not have access to governmental databases. But the DeKalb Voter Registration and Election Office does, and they can easily verify the accuracy of this information.

NOTE TO THE ELECTOR BEING CHALLENGED

Your REGISTRATION INFORMATION is being challenged, not your right to vote. The challenger is NOT accusing you of any crime, and could not do so. You can easily resolve this issue by going to <https://mvp.sos.ga.gov> and finding your registration. There you can enter your valid RESIDENTIAL Address and Mailing Address and the problem will be resolved. If there are other issues to be considered, you can call the DeKalb Voter Registrations and Elections office (VRE) at 404 298-4020; and they will help you resolve the issue.

By law, this has to be done in a certain time period or the DeKalb VRE is mandated to remove the registration from the roll. Even if that were to happen, you could re-register to vote (with a corrected Residential Address) at any time afterward.

NOTE TO DEKALB VRE AND ELECTION BOARD

The purpose of this challenge is to help establish a clean, accurate and legal voter roll. Nothing more. I would ask you, in your mandatory communication with the elector, to avoid intimidating language and stress the fact that this situation can be easily cured by the elector submitting their legal residence address within the time period mandated by 21-2-229. Please help these electors cure their registrations to comply with State Law.

**Post Office, UPS Store and Mail Center addresses used as Residence Addresses
21-2-229 Challenge**

If there are exceptions to the law that are not apparent in the data supplied to the general public, I ask that you share how we can determine these exceptions so that future challenges of this category can be avoided.

I also respectfully request that any votes by the Board to deny these challenges be accompanied by an explanation for the denial.

CONCLUSION

I believe the evidence I have provided establishes proof beyond reasonable doubt that the challenged registrations are illegal on their face as per O.C.G.A 21-2-561. Though the challenges are submitted individually, the type of proof is the same for each one. I suggest that the challenges be approved in bulk so the electors are given the opportunity to correct them and the Elections Office can take action on them.

Thank you for your attention,

Submitted this 26 day of March, 2025.
