

RISK-LIMITING AUDIT RESULTS

Risk-Limiting Audits

On November 13, all Georgia counties conducted a Risk-Limiting Audit (RLA) of the Public Service Commission District 2 contest. An RLA is a hand audit of selected ballots designed to demonstrate that the outcome of the election has been declared correctly. DeKalb County tallied a sample of batches selected at random by the State and its partner, VotingWorks.

Batches Counted

Batch	Contents
ABSENTEE BY MAIL ICC 1 - 16	50 ballots from the 16 th batch scanned on the first absentee tabulator.
