April 6, 2023

**Subject: Warrenhall Lane Sewer Replacement Project**

Dear Resident/Homeowner,

As part of DeKalb County’s \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Warrenhall Lane Sewer Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that construction activities associated with this project will start on **Monday, May 1**. This project is expected to last approximately 8 months (May – December 2023), barring any weather delays.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

**Garney Construction**, working on behalf of DeKalb County, is the authorized contractor for the **Warrenhall Lane Sewer Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Warrenhall Lane Sewer Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County’s watershed system.
