

Katherine Valley Water Main Replacement Project: December 17, 2025

Greetings,

On behalf of the Katherine Valley Water Main Replacement Project, our construction crews have completed the installation of approximately 4,700 linear feet of aging pipelines. Crews will execute final punch list items identified by the County, inspectors, and the project management team. The Katherine Valley Water Main Replacement Project team is working diligently to ensure that this project area is properly restored. This project will end approximately late December to early January.

Should you have any general inquiries regarding the Katherine Valley Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).
