

Katherine Valley Water Main Replacement Project: February 10, 2026

Greetings,

On behalf of the Katherine Valley Water Main Replacement Project, our construction crews have completed all phases of work on this project, as required by DWM. Approximately 4,700 linear feet of aging pipelines have been replaced. Our team would like to express our gratitude for your support and cooperation.

Should you have any general inquiries regarding the Katherine Valley Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243 or email dekalbwaterops@dekalbcountyga.gov. Thanks for your support.
