

Katherine Valley Water Main Replacement Project: November 3, 2025

Greetings,

On behalf of the Katherine Valley Water Main Replacement Project, our construction crews have installed nearly 5,000 linear feet of aging pipelines. Crews will continue to work diligently to minimize the length of impact to residents and prepare for restoration.

Should you have any general inquiries regarding the Katherine Valley Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243 or email dekalbwaterops@dekalbcountyga.gov. Thanks for your support.
