Dear Resident/Homeowner,

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Shoal Creek Trunk Sewer Replacement Project** is being designed to improve the watershed system in your community.

This notice serves as a formal invitation to learn more about the **Shoal Creek Trunk Sewer Replacement Project**, interact with the project team and ask questions.

Meeting Information:

Tuesday, August 19 at 6:00 p.m.

Via Zoom Link: <https://dekalbcountyga.zoom.us/j/83451750252>

The **Shoal Creek Trunk Sewer Replacement Project** will address repeat sanitary sewer overflow areas and help meet future sewer demands for the next 50 years.

The project is expected to begin preliminary work in 2026, barring any unforeseen circumstances and weather delays.

Atkins, working on behalf of DeKalb County, is the engineering and design company for the **Shoal Creek Trunk Sewer Replacement Project**. Should you have any questions or concerns about this project, please email shoalcreektrunksewer@dekalbcountyga.gov.

We look forward to your attendance and appreciate your support as we work diligently to improve DeKalb County's watershed system.
