STONE MOUNTAIN GA

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Upper Snapfinger Trunk Sewer Upsizing Improvement Project** is being designed to improve the watershed system in your community.

Please join the department to learn more about the **Upper Snapfinger Trunk Sewer Upsizing Improvement Project**, interact with the project team and provide feedback.

The county confirms and will host **one (1) Public Information Open House (PIOH)** events about this project. Both events will present the same information.

Meeting Dates & Time:

Tuesday, April 22, 2024
East Central DeKalb Community and Senior Center - Room 108
4885 Elam Road
Stone Mountain, GA 30083

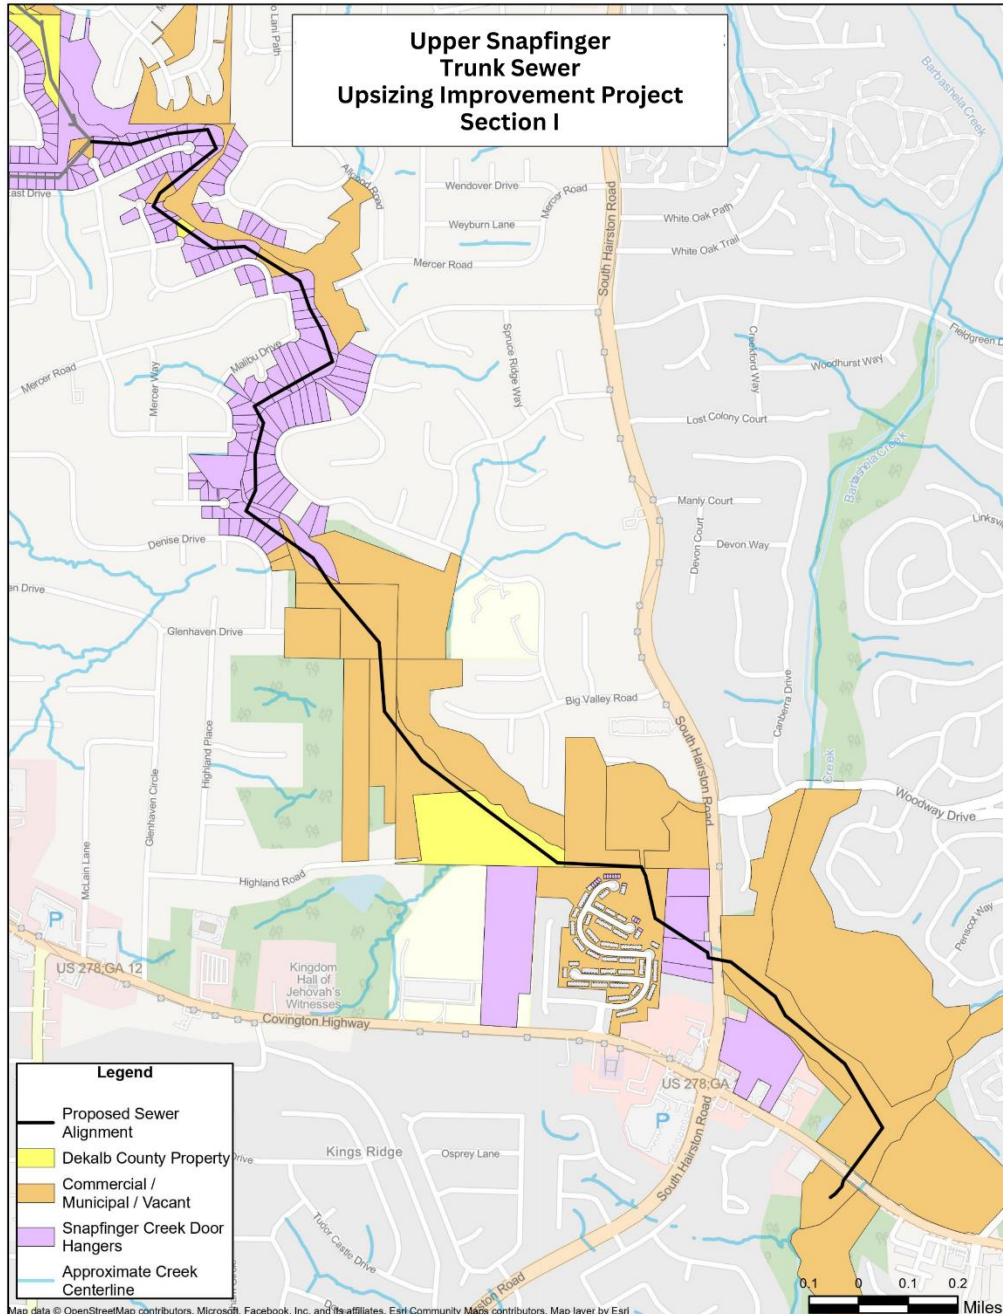

The **Upper Snapfinger Trunk Sewer Upsizing Improvement Project** will address repeat sanitary sewer overflow areas and help meet future sewer demands for the next 50 years.

Construction is expected to begin in 2026 and last approximately three years (2026 to 2029), barring any unforeseen circumstances and weather delays.

Stantec Consulting Services, Inc., working on behalf of DeKalb County, is the engineering and design company for the **Upper Snapfinger Trunk Sewer Upsizing Improvement Project**. Should you have any questions or concerns about this project, please contact the DWM Project Information line at 1-800-986-1108 or email uppersnapfingersewer@dekalbcountyga.gov.

DWM looks forward to your attendance and appreciates your support as we work diligently to improve DeKalb County's watershed system.
