**FOR IMMEDIATE RELEASE**

July 22, 2025

## **Malone Drive Road Closure Begins on July 24** *Construction to replace water lines*

**CHAMBLEE, GA.** – Beginning **Thursday, July 24, 2025**, **Malone Drive** will close to through traffic for approximately three weeks, barring any weather delays. The project will require a road closure to replace water lines that are a part of the **Peachtree Boulevard Water Transmission Main Replacement Project**.

During this closure, detour signage will be installed to guide traffic along alternate routes. Motorists traveling northeast on Peachtree Boulevard can continue to Miller Drive and follow signs redirecting them to Peachtree Road and back to Malone Drive.

Motorists should expect delays stemming from the road closure. Precautionary signs and traffic flaggers will assist local traffic in moving safely around the road closure. Our construction crews will work diligently to minimize the length of impact to motorists.

Normal construction hours will be from 9 a.m. to 4 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Information about the **Peachtree Boulevard Water Transmission Main Replacement Project** also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov) with questions.
