Clifton Church Water Main Replacement Project Begins Oct. 13

Construction to install new water main pipes

DECATUR, Ga. – Efforts to improve the watershed system throughout DeKalb County continue **Monday, Oct. 13**, with the launch of the Clifton Church Water Main Replacement Project. Crews will replace approximately 10,900 linear feet of ductile iron water pipe on Clifton Church Road, Gresham Road and Richard Allen Lane.

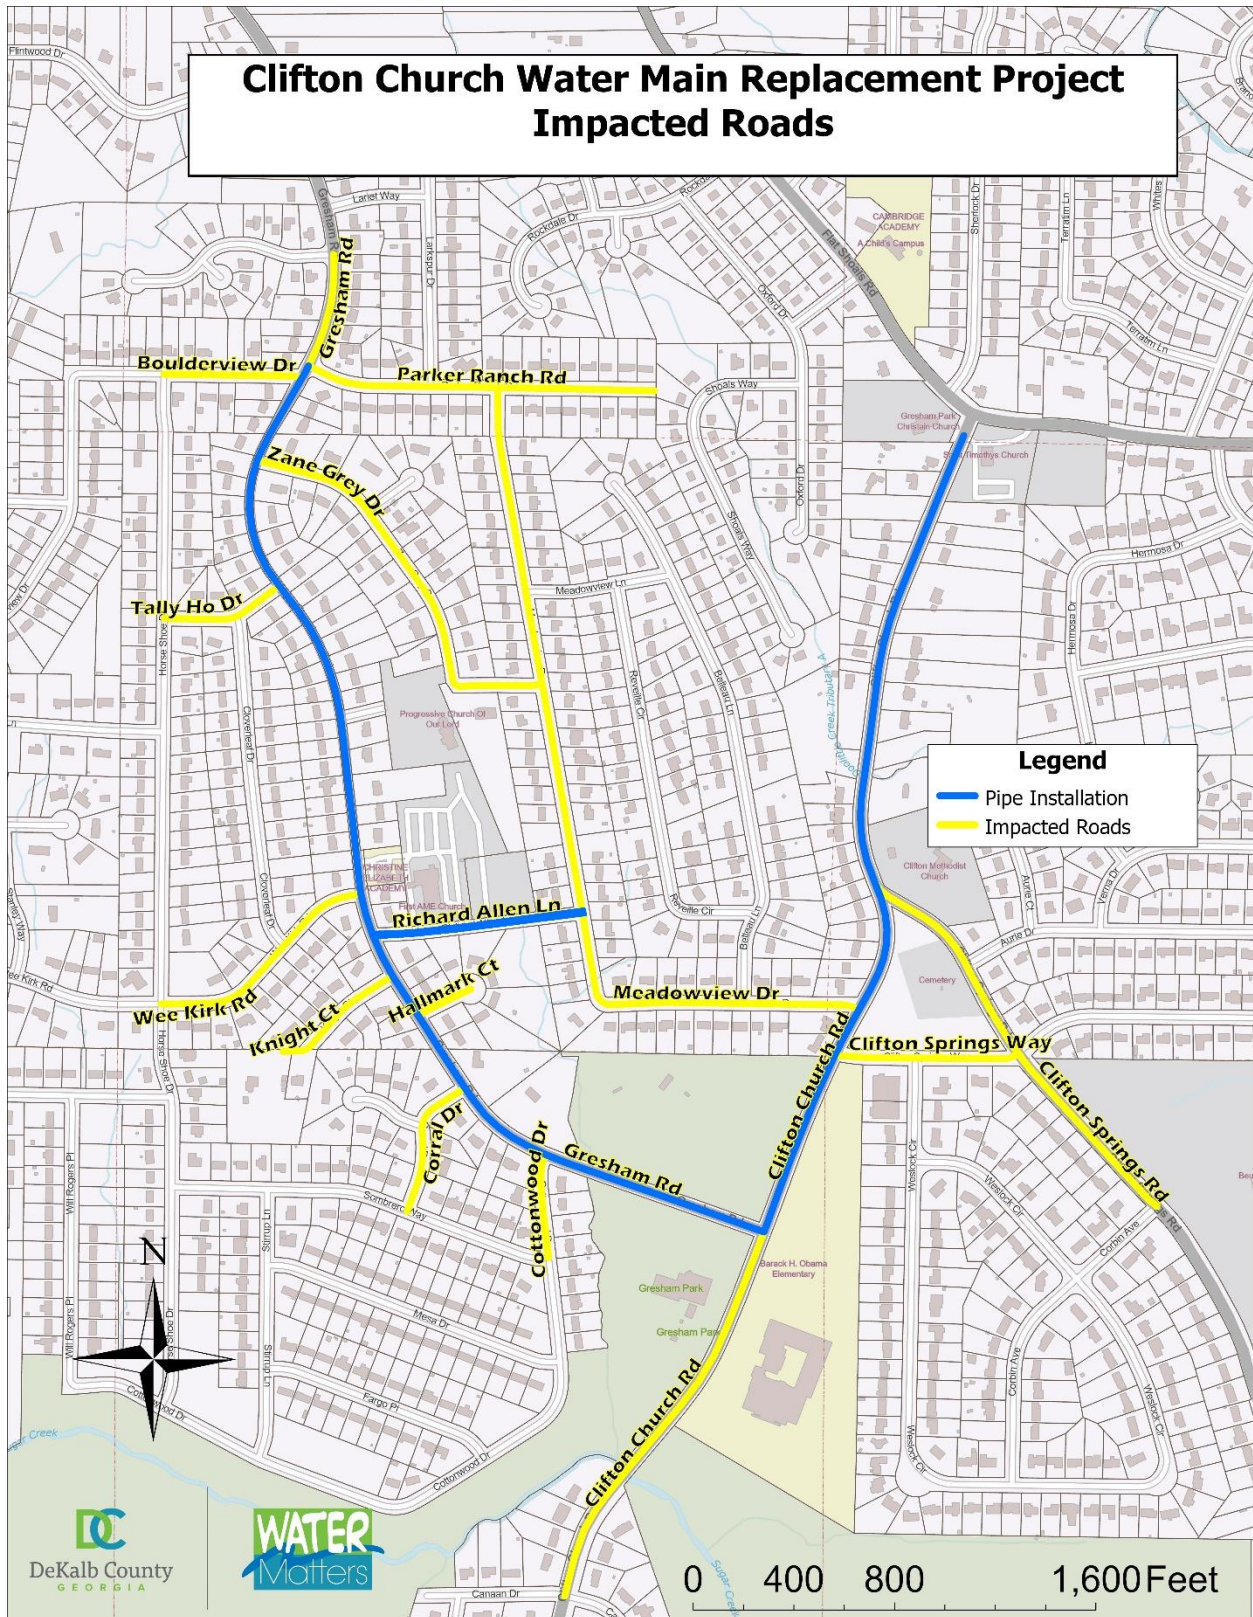

This water improvement project is expected to last approximately 9 months (October 2025 to July 2026), barring any weather delays.

This project is part of DeKalb County's \$4.27 billion capital improvement program to improve capacity and service of the watershed systems serving the community.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

To learn more about the Clifton Church Water Main Replacement Project, join the virtual community meeting on **Tuesday, Oct. 7, 6:30 p.m., via Zoom at** <https://dekalbcountyga.zoom.us/j/85315291066>.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
