

GLENDALE III WATER MAIN REPLACEMENT PROJECT

Frequently Asked Questions

Q. What is the purpose of the Glendale III Water Main Replacement Project?

A. The purpose of the Glendale III Water Main Replacement Project is to improve water quality and replace deteriorating infrastructure to meet current and future water demands.

Q. When will the project begin and end?

A. The project began Monday, Dec. 1, 2025 after an emergency break took place. The project will take approximately one year to complete, ending in December 2026.

Q. What will be the work hours during construction?

A. Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. In some cases, extended weekday hours, weekend work, or night work may be necessary.

Q. Is my water safe to drink?

A. Laboratory tests of this water have determined that despite the discoloration it is safe to drink.

Q. Who will be impacted by this project?

A. Approximately 800 homes and businesses and travelers who use Celia Way, Midlawn Drive, Hamilton Road and Columbia Drive will be impacted by this project. Additional impacted intersections include:

- Midway Road
- Leeland Road
- Robin Road
- Bluebird Lane
- Canary Court
- Boblink Drive
- Lauren Parc Road
- Santa Monica Drive

Q. What work is planned during the Glendale III Water Main Replacement Project?

Glendale III Water Main Replacement Project FAQ – pg. 2

A: Crews will replace approximately 11,800 linear feet of ductile iron water pipe on Celia Way, Midlawn Drive, Hamilton Road and Columbia Drive.

Q. What impacts, if any, will construction have on traffic in the surrounding community?

A. Traffic flaggers and project signage will be in place to guide motorists safely through the construction area for the duration of the project.

Q. Will the construction require heavy lighting that may be disruptive?

A. The majority of the construction activities will be conducted during normal business hours of 7 a.m. to 7 p.m. If night work is needed, crews will use portable lights positioned to face away from any neighboring residences to eliminate any nuisances.

Q. Will I have to move my car if it's parked on the street during construction?

A. Yes, property owners who live in the path of the construction site will receive notifications during designated construction days and hours. Residents may resume parking on the street after construction hours.

Q. Will this construction project cause noise in my community?

A. For short periods of time construction noise may be caused by:

- Heavy equipment and construction truck traffic
- Material manipulation and storage
- Compacting
- Pavement Saw
- Jackhammering
- Drilling
- Excavation and backhoe
- Grading
- Paving
- Rock excavation

Crews will work diligently to eliminate construction-related noises before or after the scheduled construction hours.

Q. What damage or impact can we anticipate for the project?

A. There will be impacts to landscaping, such as your grass, and to some driveways. In the roadway, concrete curbs may need to be removed to facilitate the construction. DWM requires the contractor

to restore any properties crossed through to existing conditions or better. Landscaping would be provided for vegetation, bushes or shrubs that need to be replaced, and eventually, trees that were outside the permanent easement will be replaced with the county's permission.

Q. Will water be cut off during this work?

A. We do not anticipate any long-term impacts to your water service. At most, we would need to cut off water on a particular date/time. You will be notified 48-72 hours in advance of any shutoff.

Q. Who can I contact if I have additional questions or need more information about the Glendale III Water Main Replacement Project?

A. For general project updates or information, contact the DWM Project Information Hotline at 1-800-986-1108 Monday through Friday, from 8:30 a.m. to 5:00 p.m., or email: projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call 770.270.6243.
