DECATUR GA

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Doolittle/Blue/Sugar Creeks Trunk Sewers Upsizing Project** is being designed to improve the watershed system in your community.

Please join the department to learn more about the **Doolittle/Blue/Sugar Creeks Trunk Sewers Upsizing Project**, interact with the project team and provide feedback.

The county confirms and will host a **Public Information Open House (PIOH)** event about this project:

Meeting Date, Time & Location:

Tuesday, Aug. 27
4:30 - 6:30 p.m.
DeKalb Library Flat Shoals Branch
1346 McConnell Drive
Decatur, GA 30033

The **Doolittle/Blue/Sugar Creeks Trunk Sewers Upsizing Project** will address repeat sanitary sewer overflow areas and help meet future sewer demands for the next 50 years.

Construction is expected to begin in late 2025 and last until early 2027, barring any unforeseen circumstances and weather delays.

Freese and Nichols, working on behalf of DeKalb County, is the engineering and design company for the **Doolittle/Blue/Sugar Creeks Trunk Sewers Upsizing Project**. Should you have any questions or concerns about this project, please contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

DWM looks forward to your attendance and appreciates your support as we work diligently to improve DeKalb County's watershed system.
