**Subject:** Melinda Drive Sewer Line Rehabilitation Project - Phase 2

Dear Resident/Business Owner,

As part of DeKalb County’s \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community.

This letter serves as formal notification that construction activities associated with **Phase 2** of the **Melinda Drive Sewer Line Rehabilitation Project** will begin on **Thursday, May 18, 2023**. Normal construction hours will be from **8 a.m. to 5 p.m., Monday through Friday, excluding major holidays**. Property owners will be notified in advance of significant changes in scheduled work hours.

Crews will install CIPP (Cured in Place Pipe) to rehabilitate 5,000 linear feet of aging sewer lines. The repair project is expected to last a little more than three months (May to August 2023), barring any weather delays. **Insituform**, working on behalf of DeKalb County, is the authorized contractor. All workers will be wearing proper identification and driving marked vehicles.

Please be advised to expect an **increase in construction-related noise and traffic during work hours**. Property owners will be notified **48 to 72 hours** prior to the start of impactful construction activities. Our construction crews will work diligently to minimize the length of impact to residents.

Should you have any questions or concerns regarding **Phase 2** of the **Melinda Drive Sewer Line Rehabilitation Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County’s watershed system. For more information, please join our virtual community meeting on:

**Tuesday, March 14, 2023  
6:30 p.m.**
