FOR IMMEDIATE RELEASE

March 7, 2023

**Melinda Drive Phase 2 Sewer Rehabilitation Project
Begins May 18**

ATLANTA, Ga.— Efforts to improve the watershed system throughout DeKalb County continue on **Thursday, May 18**, with the **Melinda Drive Sewer Line Rehabilitation Project - Phase 2**. Crews will install CIPP (Cured in Place Pipe) to rehabilitate 5,000 linear feet of aging sewer lines. The repair project is expected to last a little more than two months (May to August 2023), barring any weather delays.

Normal construction hours will be from **8 a.m. to 5 p.m., Monday through Friday**, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected. **Insituform**, working on behalf of DeKalb County, is the authorized contractor. All workers will be wearing proper identification and driving marked vehicles.

To learn more about the **Melinda Drive Sewer Line Rehabilitation Project - Phase 2**, join the virtual community meeting on Tuesday, March 14, 6:30 p.m., via Zoom at <https://dekalbcountyga.zoom.us/j/89206863708>.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
