

Dear Residents/Business Owners:

Happy New Year!

We would like to provide an update on the Peachtree Boulevard Water Transmission Main Replacement Project Phase I. Manhole adjustments on Malone will be made this Thursday and Friday (Jan. 15 and 16). Road striping is tentatively scheduled for next week, Wednesday, Jan. 21; unfortunately, the temperatures are too low to perform the work this week.

Please be advised that we are planning a virtual community meeting this month for Phase II of the Peachtree Boulevard Water Transmission Main Replacement Project. Details will be sent to you in the near future.

Should you have any inquiries regarding the Peachtree Boulevard Water Main Transmission Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
