

Dear Resident/Business Owner,

Things are going well with the Panola Road Water Main Replacement Project. Nearly 600 linear feet of pipe has been installed thus far. We will be continuing on Salem Road and are getting close to Big Miller Grove Way. Crews will be working next Tuesday, Veterans Day.

Should you have any inquiries regarding the Panola Road Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
