

Subject: Clifton Church Water Main Replacement Project Update: Feb. 10, 2026

Dear Resident/Business Owner,

The Clifton Church Water Main Replacement Project crews are currently conducting construction work unrelated to pipe installation; however, pipe installation should resume at the beginning of March.

Should you have any inquiries regarding the Clifton Church Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
