

Subject: Glendale Phase III Water Main Replacement Project Update: Feb. 24, 2026

Dear Resident/Business Owner,

We are making progress on the Glendale Phase III Water Main Replacement Project. Please be advised that the road closure at the intersection of Midway Road and Midlawn Drive will be in effect through the end of the day on March 6. Flaggers will be in place to direct drivers around the intersection. There may be times when local traffic is required to wait a few minutes before entering/exiting the area. We ask for your patience as we continue to improve the water systems in your community.

Should you have any inquiries regarding the Glendale Phase III Water Main Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.

Thank you,

Angelita Streeter
