

Subject: Woodacres Water Main Replacement Project Update: Feb. 10, 2025

Dear Resident:

The County's contractor and subcontractors will continue to work on restoration of the Woodacres Water Main Replacement Project area through mid-March. This includes sod installation.

As you may be aware, the Clairmont Terrace Water Line Replacement Project will begin today and will last approximately five months. It is a continuation of the Woodacres Water Main Replacement Project. A map of the project area has been attached.

Should you have inquiries regarding either of the projects, please do not hesitate to contact me directly or to call the DWM
