

Subject: Clairmont Terrace Water Main Replacement Project Update: July 13

Dear Resident:

Construction crews will continue installing 8-inch ductile iron pipe (DIP) on Shalimar Drive, and paving will take place on Clairmont Terrace. Please refrain from parking on the street where crews are working.

Should you have any inquiries regarding the Clairmont Terrace Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
