

Subject: Clairmont Terrace Water Main Replacement Project Update: July 22

Dear Resident:

Construction crews have completed pipe installation for the Clairmont Terrace Water Main Replacement Project. They are currently tying in services on Shalimar Drive and will begin restoring the project area.

Should you have any inquiries regarding the Clairmont Terrace Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
