

Subject: Clairmont Terrace Water Main Replacement Project Update: June 12

Dear Resident:

Construction crews continue to install 8-inch ductile iron pipe (DIP) on Clairmont Terrace, reaching the intersection of Shalimar Drive. Crews will begin installing pipe on Shalimar on Monday, June 16. Please refrain from parking on the street where crews are working.

Should you have any inquiries regarding the Clairmont Terrace Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
