

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: Nov. 19, 2025

Dear Residents/Business Owners:

We have two cars preventing us from conducting our paving operations on Malone Drive today. The silver car, a Chrysler Crossfire, is parked directly across the street from the Comcast building in front of The Deco building. The white car, Toyota Corolla, is parked near The Queens Tea Party/Malone 3400 condos. Please move the cars as soon as possible to allow us to complete paving operations. Thank you for your help.
