

Subject: Peachtree Boulevard Water Transmission Main Replacement Project Update: Nov. 21, 2025

Dear Resident/Business Owner:

The attached traffic control plan will be in place on Monday, Nov. 24 through noon on Wednesday, Nov. 26. The road will then be reopened for the Thanksgiving Holiday. Upon removal of this road closure, we will revert to the original detour plan currently in place on Peachtree Road. **Peachtre Malone Lofts residents will continue to enter on Peachtree Road from Chamblee Tucker and exit on Malone Drive.** Crews will then reinstall this road closure at the intersection for the week of Dec. 1-5 as we work to complete the raised concrete island at the intersection. Thank you for your patience as we wrap up this portion of the project.
