

Subject: Sowell Estates Sewer Replacement Project

Dear Resident/Business Owner,

Crews are continuing to work on the Sowell Estates Sewer Replacement Project. The project is in its final stages, with minor landscaping underway and follow-up work on underground piping to ensure everything meets quality and safety requirements. Thank you for your cooperation as we continue to address the needs of your community.

Should you have any inquiries regarding the Sowell Estates Sewer Replacement Project, please do not hesitate to call the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. For 24-hour emergencies, please call: 770.270.6243.
