

Woodacres Water Main Replacement Project Update: August 2, 2024

Good afternoon, Resident!

We have completed testing on Phase I of the **Woodacres Water Main Replacement Project**. The next step will be to transfer water meters to the new lines. Crews will begin doing so later this week. If you live in the Phase I project area, which includes: Battle Drive, Jordan Terrace, Malabar Drive, part of Wentworth Drive and the southern part of Woodacres Road, you will receive a door hanger this week to notify you of a planned service interruption. Affected residents may lose water service for up to two hours between 8 a.m.-5 p.m., Monday through Friday, between Aug. 7-14. This water interruption will only occur *once* per household on *one* of the aforementioned dates. Crews will begin at the intersection of Battle Drive and Clairmont Terrace and work their way through Phase I.

Should you have any inquiries regarding the **Woodacres Water Main Replacement Project**, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov). For 24-hour emergencies, please call: 770.270.6243.
